About Us

Memphis Outreach Ministry is a registered 501- C3 charitable organization here in Memphis. Our focus is assisting those of impoverished circumstances, back into society and or the workforce with the tools necessary to maintain.

Memphis Outreach Ministry was founded in 2016 by Andre and Gwendolyn Jones with the desire to give back to the community and change the lives of many. Both are Memphis natives who felt there was little to no help for those effected by poverty and homelessness. Memphis Outreach Ministry aims to change lives for the better and uplift our community.

We continue to build on the ideas of our founders and strive to become a pillar in the community for anyone in need including the homeless, veterans, families, and children.

CHILI COOK-OFF

chili cook-off

a fun competition between participants to see who can cook up the best bowl of chili.

This event will bring a fun and exciting experience while creating awareness of the poverty issues here in Memphis, how we as an organization help tackle these issues, and how we can keep going with community support through volunteering and donations.

The event will take place on Saturday, July 16th, 2022, from 11:00 p.m. to 6:00 p.m. at the Robert R. Church Park in downtown Memphis. This location is unique to us because it has been a site we've frequently fed the homeless community for the past 7 years.
